Cambridge Certificate B2 First

Preparing for the test

The Cambridge Certificate Preparation Course takes place in the course of the four semesters of grades 11 and 12. Students will be enabled and qualified to take the test at GLS Sprachenzentrum Berlin.

Cambridge English exams are recognised by over 25,000 universities, employers and governments around the world. Our **English language tests** can open doors to higher education, improve employment opportunities, and because they are globally recognised, can increase your choices for study or work.

B2 First qualification proves you have the language skills to live and work independently in an English-speaking country or study on courses taught in English.
